- PLANT MATERIALS SHALL CONFORM TO SPECIFICATIONS AS PER "METRIC GUIDE SPECIFICATIONS FOR NURSERY STOCK" BY CANADIAN NURSERY TRADES ASSOCIATION , LATEST EDITION.

OWNER'S NOTE:

We agree to implement the approved landscape plans within 18 months after the execution of the Site Development Agreement or within such further period of time as may be mutually agreed upon between the City of Mississauga and the Owner of the subject lands and will retain Salmona Partnership Inc., the Landscape Architect to make periodic site inspections and on completion of the landscape works, we will forward to you a copy of the Completion Notification Certificate from the Landscape Architect.
Any revision to the landscape plans will be submitted to the Planning and Building Department, City of Mississauga, before commencement of the works, for review and approval.
We hereby authorize the City, its authorized agents, servants or employees to enter upon our land to which these drawings apply, to carry out inspections from time to time and agree to indemnify the City and its authorized agents and save them harmless from any and all actions arising out of the exercise by the City, its authorized agents, servants or employees of the rights hereby given to them. And we further undertake to notify the City forthwith of any change of ownership of the said lands.
